

La Dame de Montrose

Vintage 1988

Main characteristics of the vintage

Winter and spring were very wet and hot. The summer was dry and moderately hot with little precipitation in September. Thus were the climatic conditions of that year. The grapes ripened normally and got thick and rich skins. The wines are powerful and very well structured.

Period of harvest

September 26th - October 9th

Blending

Information non communicated

Tasting notes

Dense colour with brick tints

Complex nose displaying notes of liquorice, mocha, red fruit (strawberry)

The palate delivers aromas of red fruit and undergrowth

The wine is balanced, soft and homogeneous: the attack and mid-palate is neat and ample

Very soft and complex finish
